Ignite Annual Fundraiser

Heartland Foundation's Ignite Annual Fundraiser is tonight, Sept. 20, on the rooftop of the Mosaic Life Care Downtown Parking Garage.

Event proceeds will offset registration fees for underserved youth in Buchanan, Andrew, Nodaway and Gentry counties to attend Heartland Foundation's STEAM Camps.

A reservation for the evening includes dinner, live entertainment, games, live and silent auction, cash bar and fireworks.

To view silent auction items, sign-up parties or donate to Heartland Foundation, please visit [this site](#).

e2 Fellowship Kicks-Off

The 2019-2020 e2 Fellowship began Tuesday, Sept. 17.

Ten schools in the region are participating

e2 Fellowship participants build team work skills.

in this year's program.

The first session of the four day inter-generational leadership program included team building activities and education on leadership traits and styles.

Nicki Carlson, athletic director at St. Joseph Christian, said the program helps participants think outside of the box.

"It empowers these students to see a different aspect of who they are and how they can make a difference," Carlson said. "They can be the change we need."

e2 Fellowship participants do an activity to learn names.

CollaborACTION

Heartland Foundation is now accepting proposals for 2020 CollaborACTION grant funding. Applications are due Oct. 25.

In order to apply, you must attend an informational session prior to submitting proposal.

Innovative project proposals need to be a collaboration between two or more partnering organizations. Projects may focus on one community or serve neighboring communities throughout the region.

Please contact us to schedule your informational session.

**Shared Commercial Kitchen
Coming to King City**

Heartland Foundation's satellite facility, Think Ahead Works in King City, Missouri, is beginning a new chapter.

Think Ahead Works is adding a co-working commercial kitchen to help local food producers expand their business market. The kitchen at 107 W. Vermont St. will provide support to potential culinary artists such as bakers and salsa makers as they grow their business.
